## **PSYCHEDELIA**

Raving bright lights across mountain peak  
Raging, colors of life like rainbow engulfed  
Coveted, making souls to scream for sight  
Blindfolded yet reflecting grave on eye lens

Disturbia making moves, race against time  
Twin turbo engine still can't outrun destiny  
Finding plight, like finding Memo scrutiny  
Squeeze juice for spring never to run dry

Clapping, somersault, bungee and jump  
Bounce on see-saw dancing in the wave  
Psychedelic predicting where tour's next  
Photographed and kept a bird in his nest

Opening eyes travel along colorful path  
One song end another begin at my part

## LUNAR

Boxed up in a can staying fish like tuna  
Counting second to relish spinning fan  
Loaded hand in a couple mind Flemish  
Trigger pound, work to successful man

Awake at lunar crossing hitherto square  
Ecstasy melt, teary flame in ocean deep  
Sinking heap holding on to in conviction  
Pitching tree, food solid cure dysentery

Peaceful meal, sipping tea vacay mode  
Auto-, life goes on -matic day and night  
Money beep, silent tone paving directs  
Making will travel to nature bungee feel

At lunar images come showing print  
Past, present et al the future all dine

## **REFINITION**

Form in iron ore turning gold, a story told  
Written bold up in clouds moving stealth  
Cross time zone radii going flesh to bone  
Finding a throne, heavily books unknown

Study to mend broken wave on waterway  
Cleaning stains of vices, ending piracies  
Hijack of good restored pave new roads  
Minding good games of prosperous ace

Refinition, viewing changes from away  
Clarified, a process to visualize effects  
Pausing at a point sense is made clear  
Refinated and approve to take actions

Impact made on journey of discovery  
For let it be said we arrived on earth

## **FORBIDDEN**

What you gon do when faced with reality  
Caught in web of franchised troubleness  
Come in all sides setting up highly fights  
What you gon do when faced against own

Battle of mind, plight to restore what's find  
Forbidden fruit it dangle pretty and inviting  
Calling for reaction causing great of storms  
Forbidden I look on the other side to survive

Reach to be sure none escapes to the wild  
Keeping sanity, world made free of regrets  
Skipping forbidden acts to cause uproars  
Lion strides on mountain height of sights

Ultimate time when questions get answer  
Making all right as nothing undone is left

## **RADIANCE**

In splendor of magic ways revealing  
Image in relic phase glue god forming  
Made to boom, series of conga talking  
Spirits sounding echoes to future time

Radiance of life glaring is put into play  
Daring, move unto survival paving way  
Creatively make assets converting pay  
Age is tired own roof over place to stay

Mineral, crystals, stones bottom of sea  
Full of radiance like stars far up above  
Candle lit at mountain peak burning on  
Surviving the wind send light to eternity

In radiant of the soul, where god is form  
Message is come in vocals or with word

## **SURVIVOR**

Ragnor, Ragnor let's sail into deep abyss  
Ocean list finding uttermost man peace  
Struggles and survival life of short lease  
Stranger on a journey to lifelong of feast

Drowning inside the moon, river of sleep  
Seeking and to find wealth obsessively  
Seven parts, leaves of life swoosh hasty  
Trace to counter feed, pausing of milk

Point all adventures they come to cease  
Gladiators in arena sheathing their sword  
In Capua Ragnor brought out victorious  
Battles stop new world is formed in core

Images, visions resurface in new words  
Strong survives even faced against wall

## **SUPERFICIENT**

Soft, super and efficient way of thought  
Being resilient is must to remain tough  
Withstanding all thrown towards peace  
Malingering, paving meander to come top

Addition to whole numbers, one more  
Wisdom to reflect solving further case  
In future place, ultimate limit of states  
Preventing downfall of man inner time

Like hero superficial end battle phase  
Messiah return once in thousand years  
Acting machine ways functioning base  
From Abacus counting into divine day

Science magnificent knowing sun angle  
Arts edificent, creating beauty in space

## **OXYGEN**

Strange and pungent bits and torrent  
Choke on silence, a revolt and uproar  
Search for oxygen gasping lungs way  
Made in trees for life in nature reveal

Colony uphill, atop mountain to heal  
Future is received, a bridge to cross  
In books and we keep secrets of air  
Mysteries to repair ending despair

Breathe so clean, stainless apparel  
Bond so glue, eternal non-separate  
Glory restitutes, from woman come  
god is born oxygen daily as manna

League and score, celestial is drop  
Chariot, on horses race to know all

## **CLOSEST**

Stick to my soul, my closest mate  
Through sun and rain, happy face  
Let's dance again to coming days  
Travel and to reach all list places

Shopping ways, yacht for cruise  
Clinking over the deep blue sea  
Your feel on skin, ever I want  
Body gum till forever to come

Closest my blood pumping love  
Follows your heart to escape  
Beating unison, one language  
A call for response immediate

Sum is one, you are my world  
To reaching ends we are gone

## **MORRIBOUND**

Morribound and Nigeria still spin  
Glaring on TV they go to perform  
Live above the sea and see deceit  
Four years coming people deceived

Hand cocked handcuffed March line  
To never return disappearing style  
Political future unborn being sold  
Citizens' blind, light is come now

Arise to united mindset for a win  
One against minion, bright be won  
Good to be sworn in offices held  
As charity begins to source home

Speak in town and community hall  
Give birth to a new nation of good

## **RESONANCE**

Vibrating to stable plane of thought  
An iron brought from fire molten hot  
Magnanimous time a film pass in reel  
Metal is born to surviving the years

Striking making pitch to resonate on  
Paintings to keep, in vocals stored  
Wave to reach, seen far heard in sky  
Thunder rebound echo cross centuries

Emotion and resonance creating life  
Erupting to cure lone of the nights  
Body and soul making moment to last  
High, low vibrating to a peaceful end

Mystery informs a realm of satisfaction  
Two for tango dangle of human metal

## CLIMATE

Bring back that feeling when we're chilling  
Life of beauty green, air taken in so clean  
The rivers and springs flowing plastic free  
Forest and trees moving, they holding hands

Violins and strings, singers atop the hills  
Harmonize nature for human is custodian  
Treating earth to healthy of dose and pills  
Knowing core's all temperature keeping life

Recline the world creative seed, genre grow  
Rainbow to witness, moving onto better days  
Connected in spirit and soul make one voice  
Climbing out the box to proper thinking way

Tug of war, denser the mind to win the race  
Bringing climate change, re-engineer to life

## **AFFECTION**

All of my inner being standing still  
Your love my healing cos I can't see  
Blinded by affection cling on to you  
Lead me out the room seeking the loom

Ecstasy huge Making Mountain like pod  
Riding on the cloud and I come to you  
Dusk until dawn the sweetest of the day  
Drawn to you each moment of the way

Always it flows for you are my home  
Sticking through the cold wrap arms  
Melt in to marrows, lovesmith thing  
Bonding everyday till no tomorrow

My one and only affection is for you  
Loyal to the end of cast and review

## **DOMINIC**

Hero of the land story hung on wall  
In signature hall of ancestors past  
Is path of Dominic, the 1st of Czar  
Holding rare gong to wake those far

Numerous battle and spoils of war  
For good he swore, pass in blood  
Generation to procure keep prints  
As witnessed by sons yet to come

Dominic the Great keeper of state  
Protector of space shield to alien  
Who stay awake, planter of trees  
He fills up the barn cross the year

Patrilineal, we adore all your effort  
Good name as inheritance worth it

## **LIFE SPAN**

Dash from birth till send back to earth  
Journey span of man to meet the creator  
Experiences adding spices along flight  
Series of phase lead to successful way

Environment breeding seed of good life  
All things be same heart rhythm as one  
Many joyous days till the curtain fall  
History into songs, print of life runs

Counting in days a record of man lived  
Per day working hard till energy drain  
Art of living to remain in hard drives  
Impacts made on lives that were raised

Recorded accurate on a tomb stone  
Life span of man and era he's lived

## **BRILLIANT**

To foresee common event that happens  
In the wild, she is still keeping tracks  
To rescue many who are heavily laden  
A brilliant maiden next to be Queen

Suscept in-depth forging stronghold  
Wielding keys to powers ancient old  
With ideas to plant beautiful home  
Grows to apex enlarging the throne

Knowledge to feed through umbilical  
Intelligent increase in arithmetic  
Geometric and aware of age respect  
Brilliant maiden for peace of mind

To procreate in one memorandum  
DNA to mate, a new world is born

## **APOLLYN**

Broken gladiators, battle never-ending  
Once a beautiful city set atop the hill  
Crumbled to rumbled, hitherto aggressor  
Fate of humans left in hands of dictators

Missiles over air, Apollyn has fallen  
Bloodshed, facilities are overwhelmed  
Borders blown into air, roads closed  
Bread is gold kept for infants alone

Apollyn will rise again in multicolor  
Technology as rainbow seen in cloud  
Amphitheaters rebuilt to modern art  
World to relive, harvest year-round

Together for success all work time  
Vision to declare Apollyn is back

## **PARACLETE**

Descending to direct ways of time  
Man'll want to portray act sublime  
To distant, light from above shine  
Bring about change and new clime

Follow divine and find peace of life  
Hearken and discover limitless bound  
For the spirit moves over the earth  
To renew a mind like babies at birth

Receive into house and learn it all  
Obedient and take turn to the right  
Evil is cast into drain gone forever  
Paraclete to heal all broken hearts

Fixing up soul to adsorb life shock  
Living a tenure till cast unto next

## **BATTLE OF LIFE**

Riding on the cloud descending to earth  
Land, molding dust to form inner self  
Built with emotion puddle they appear  
Battles arrive, love be my only shield

Surviving rain, through the morning dew  
Vague heart for solace as ultimum space  
Decisive mind, move into place of peace  
Mighty rise, for again savior is come

Breathe of life your face fill my heart  
Wins at last, and all that come to past  
Beat I count on timing of fall and rise  
Feasts and dance, deep love is cravings

Going on journey to a place of no sound  
Where words are signs, life in redesign

## **ILLUSION**

Spiral, life gets blur sights are hazy  
Weight is heavy, burden on shoulder  
Still wear a smile to motivate others  
Baking illusion to paint multi realm

All's fine floating on deep blue sea  
Under is a world creature many alike  
Dolphins wave, tags along for a ride  
Follow pattern as light horizon wide

Abstract is mind to see behind lines  
Unravel human, sight of perspectives  
From pyramid to cubes Picasso styles  
Direction found liberated is the mind

Angle, opinion found critics are fine  
Illusion come alive deep in all heart
